Name: _____ Email: _____ Phone Number: _____

Year: _____ Major/Minor: _____

Describe, with specifics, your special passion for video, photography and media in general. Please include any prior experience you may possess with Digital SLR cameras and non-linear digital editing platforms. *(we do not require you to come into the program with any prior technical knowledge, but it is important for us to be aware of prior experience to adjust for everyone's needs.)*

What do you hope to gain from Triton Television?

What do you hope to contribute to Triton Television?

What sorts of Triton TV projects would you like to work on and in what capacity (What type of media work interests you? What specific area of production would you like to focus on?).

We will have 7 Sunday meetings from 12-3pm through the end of week 10. We ask that you attend our weekly GBM's on Wednesdays from 8:30 - 9:30pm and participate as a minor role in our 48 hour film festival from January 29th to Jan 31st. What are your other jobs / involvements and are you able to commit to this schedule?
